Disclosure:

Please note the Passover in Costa Rica is a unique Passover vacation experience. Unlike most Passover programs, which are at a hotel and are centered on food and speakers, we have developed a program which is unique to Costa Rica and its wild, natural surroundings. Due to the remote location and pristine environment that surrounds us (which is what makes Costa Rica such a special destination), certain amenities and comforts that may be available to guests in the United States or abroad may not be available here. We ask guests to take this into consideration when choosing this program. Costa Rica Kosher Adventures has over 20 years of experience running kosher travel programs and Passover holidays. Our staff is committed to giving you an exceptional and truly enjoyable vacation. Please speak to one of our travel experts to go over the program details to make sure that this program is truly the right one for you.
